The Cap and Gown Parade

It's June again. To some of you, it only means the start of a wonderful vacation. But we, the Seniors, are graduating.

The Cap and Gown Parade! To you, that means a long procession down the aisle, gowns swishing, caps cocked, and beautiful music somewhere. We march up—to be graduated. But you, who look upon us now, see only the end of a long trail that goes back three years to 1928.

It wasn't much of a parade then—just a conglomerated mass of children—infants of the school, sophomores, and our class color was bright green. We were many. Quoting figures is no fun, but four hundred is a fair guess, just remembering the crowd. We remember, our astounding ignorance; the over-worked elevator ticket selling, the appalling maze of stairs and corridors that led—we knew not where.

But the Procession Master did his work well. Presently the motley crowd took shape, the building began to lose its labyrinthian qualities and appear almost civilized. Stairways and corridors now went somewhere, and we knew where!

The fall of '29,—not four hundred now! We were much like gardens in our sophomore years. Seeded in Junior High, our gardeners were not quite sure what would sprout. Some were weeds, and since North High was not a botanical experiment, the weeds were pulled. It was a lesser group—but we no longer flew our timid banner of green. Pink had been added—for our loyalties and steadily increasing wisdom. Had we not seen two senior classes go? Had we not been inducted into the mysteries of clubs, of Student Council—and best of all—cheered for and stood by North's athletes on fields of battle?

In June, 1930, we watched the senior class go out, proudly conscious that next

year, we would march where they had marched. "One more year," we exulted, so sure we would be glad to go! Two years behind, one year ahead.

Just one class ahead of us, before we stood in the place of honor—for we were now 12B's! We worked, we played—looked ahead, to June! Our laughter died a little—the last football game! No more games to go to, wearing the colors—cheering for our team? Basketball took its place, partly. We tried not to think ahead to the end.

In '28 we had come in the door the leads from Junior High to High School. Ahead of us had stretched a long vista, and at the other end, was an elusive speck they told us was the door marked "Graduation." Sometimes, as we milled about, finding our places in the procession, the door loomed large—and sometimes, we could see no door. But we marched on! Now the January class was gone—the door was before us—we were the Seniors!

Truly it was a parade! Things happened with breathless swiftness! We were organized. Leaders were chosen to head the procession. We

worked—worked hard. A place in line was worth its weight in gold. And everyone must pay. We played—played hard!

The parade went on.

Tomorrow night is Commencement. Commencement? To us, it seems to end, rather than a beginning. It is the end of much we have loved for three years. And we are not anxious to go.

But it is Commencement, too! The beginning of greater, finer things than we have ever before known. Tomorrow holds its wonders and its mysteries, but with these three years behind us, we are not afraid!

But always, for you, the Cap and Gown Parade moves on.

Senior Class Poem

Today is our day, our last day
To be with you, dear North.
Today is Class Day, the last day
Before we go forth forever from you.
Four years we've awaited this hour
When we might take our part in a play
Which ends a chapter in your life
And begins one more in ours.

Come, let us smile, laugh and
Forget for the while
The sadness of parting.
Why should we sorrow?
Let's be happy and look toward tomorrow
Which means success and happiness
Because for such have you prepared us.
We stand and look at an unclouded sky—
We are hopeful, unafraid, eager to be starting.
So, not "goodbye," but "au revoir, North
High."

So we hope when you see that this is
Our last effort, our final bow, in a way,—
If we seem to hold the limelight,
You will understand that it is
Because this is our Class Day.

Three years ago, maybe less,
We came here to these halls.
At first, they meant to us but little—
But as time went on we grew
To love this place,
Even its name
Now too soon we must say
"Goodbye, North High."

Today we belong to the chosen few
Of a great class
Which has selected you, dear North.
Tomorrow no longer are we yours.
For as a mother bird sends out her
Birdlings from the nest
Their strength to test,
So are you sending us
To choose the course
That we think best
"So goodbye, North High."

So to you we make a pledge, a vow—
To be repaid is but your due.
Dear North, we shall make you proud
Of this June class of '31 whose love for you
is true,

Norsemen End Successful Season With Ten Victories.

Playing in seventeen basketball games during the 1930-31 season, the North High cage team managed to hang ten victories on its line. Seven teams conquered the Polar Bears in as many games.

Winning over half of its contests gives the Pink and Green an average of .600 for its season's work.

The stars of the five were found in Randall Conner, Frank Simmons and Bob Simmons. Conner scored the most points for North and placed second in the scoring list of the city. Bob Simmons played at center and also scored many points for his school. Frank Simmons played a fine game at guard for the Bears.

Frank Simmons proved that he was a valuable man in the North combination when the Register picked him at guard on its All-City quintet. Conner and Bob Simmons landed berths on the second aggregation. Charles Orebaugh played a forward post on the team.

The year began with a contest in the new gym and North won its

first start from Chariton in a hot contest, 20 to 17. The return game with Chariton proved fatal for North and Chariton won, 15 to 9. The Bears handed Fort Dodge a pair of beatings, by 29 to 23 and 31 to 7. Marshalltown also fell before the great attack of the Polar Bears twice to the tune of 26 to 18, and 23 to 18. In one tilt with each, Webster City and Valley Junction, the Bears lost, 18 to 17 and 24 to 21. Grinnell also fell before North, 25 to 16.

In the city series the Pink and Green was less successful. Third place was the best the Polar Bears could do, winning three and losing as many. Twice, the old rivals from Roosevelt won, 21 to 19 and 24 to 20.

North and East split two games, when the Red and Black took the first contest by 18 to 16 and North the second by 22 to 8. North allowed only two field goals in the entire contest.

Lincoln was easy for the Polar Bears in their two games. The scores were 27 to 8 and 24 to 15.

The sectional tournament gave the Norsemen only one victory, that being over Ankeny, 32 to 16. Roosevelt defeated the Northmen for the third time in the second round by 27 to 16.

Second Team Wins Five Victories During Season.

North's second team is not to be forgotten in its five victories in nine games. A total of 183 points were scored by the Polar Cubs while 154 counters were made against them.

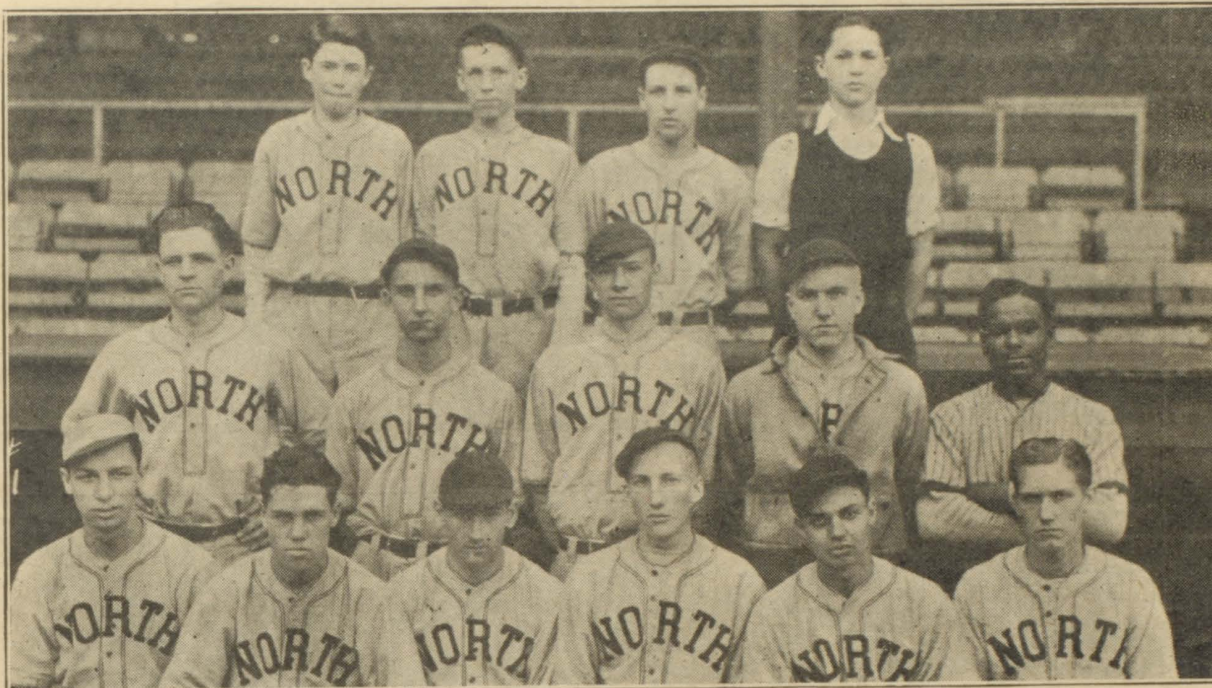

In city series games the young players ended in third. Lincoln fell before the Norsemen in two games by 19 to 16 and 20 to 8. East managed to take one of the two games by 20 to 18, but North came back in the return tilt and grabbed an 18 to 8 victory.

Roosevelt made a clean sweep in basketball over the Polar institution by capturing two contests 16 to 11 and 21 to 19.

Outside teams met the Bears and won one out of three tilts. The North Alumni dished out a 26 to 14 beating while both Nevada and Valley Junction were defeated by the Bears. The scores were 33 to 26 and 31 to 13 respectively.

Coach Johnny Johnson was in charge of the first and second teams, while Coach Billy Sherman coached the midget and C team.

Greatest Team In History Wins Eighteen Victories.

State Champions is the title which the great North High baseball team of 1931 won for their school. Needless to say, it was the greatest nine ever to represent the Pink and Green.

A tough schedule of twenty-one games was played during the two months. Eighteen games were finished with North on the long end of the score, while only two teams conquered the great nine. Both of the defeats were by only a one point margin. One tilt finished in a tie while the last game has not been recorded.

Probably the hardest battle of the year came in winning the state championship. The scheduled seven inning game with Yale in the finals of the state meet was not decided until the twelfth inning, when the Polar Bears broke up a 2 to 2 tie and scored two more runs to win the state title, 4 to 2.

The other two games of the state meet were won by beating Donnellson 12 to 1, Bennett 5 to 2.

JOHNNY JOHNSON, Coach

In the district meet the Polar Bears had an easy time in drubbing Norwalk 12 to 0, Deep River 17 to 2, and Lynnville 16 to 2. In the final game North beat Maxwell, one time victor over the

Bears in an early season tilt, 8 to 5.

Roosevelt and the Des Moines Catholic Academy were North's bitterest rivals, the Roughriders winning the first battle by 1 to 0. The second game scheduled for the Polar Bears to play with their West End rivals gave promise of another great game.

The D. M. C. A. was defeated once in a game which was decided in the last of the seventh, 6 to 5. The other tilt ended in the eighth session, after an argument between the two teams. The score was 16 to 16.

Maxwell came next with the stiffest opposition, although the Norsemen defeated them twice and lost once. The defeat came in the first game by the score of 5 to 4. Victories were registered in the district tourney and the return game. The third match was won by 5 to 3.

Other victories were scored twice over Johnston Station, 9 to 0 and 13 to 1; Truro, 13 to 3 and 12 to 2; Altoona, 17 to 1 and 18 to 4, and Norwalk, 6 to 2 and 8 to 1.

Trackmen Finish Greatest Season Of Late Years.

This year the North High track team crowned itself with a great deal of honor. Seven meets were entered by the Pink and Green trackmen, besides the annual Drake relays.

Three firsts were brought home by North during the year, while three seconds and a third were registered.

Undoubtedly the best honor came in the annual state meet when the Polar Bears took third in the state. In this meet there was plenty of stiff competition and North scored 13 points.

Another high honor was made in the state indoor meet at Iowa City. The Norsemen won second in this by scoring 23½ points. Fairfield won the meet in easy fashion.

In the city meets the Polar Bears won a first and a second. The second was accomplished in the indoor meet and the first at the outdoor carnival. The indoor meet found North able to score 51½ points. East took first with 65 and Roosevelt third with 50.

The outdoor races crowned a new champion with 62 points. East gave North a great race when it scored 61 points.

North walked off with the district meet at Valley Junction.

Thirteen Norsemen qualified for the state meet which was held the following Saturday. In winning the relays North ran up a total of 57 counters.

The Drake relays brought much honor to the Polar runners. Victories were won in the half mile relay, quarter mile relay and the 100 yard dash. The half-mile team won the relay for Des Moines High schools and Class A schools of the state.

A new record was listed for Des Moines schools when the Norsemen ramped the distance in 1:33.3 to break its own record which was set in 1930. The time for winning the Class A event was 1:33.4. The 440 yard relay team was given second for Class A schools. Davenport winning the race.

Eugene Worden won the 100 yard dash for the second year when he raced the century in 10:5. This was for the city schools only.

Other meets in which the North trackmen entered were Oskaloosa and Grinnell. First was won at Oskaloosa relays. The Polar Bears won twice as many points as did the second place winners and scored 39 times.

The Grinnell meet ended with East and North separated by only 2-7 of a point. East winning by 27 2-7 and North second with 27 counters.

One great star was uncovered among the Pink and Green trackmen in Robert Earl. This is the

second year that Bob has put the shot, winning first in every meet that he has entered. He broke the mark in most of the meets and his best effort was in the City outdoor meet when he heaved the 12 pounds 49 feet and 1 inch.

Bob was not the only star in the Polar Bear group. Ray Cummings had a hand in scoring many points in the broad jump. His best mark was over 22 feet. Don Emery also scored points in the pole vault.

The running stars were Eugene Worden, Albert Webb and Ray Turner. All of the three runners scored many points during the year. The trio took part in the 100 yard dash in at least one meet this year, although Worden and Webb competed in the 100 the most. Turner ran the 440 yard dash and Worden the 220.

The relay team was North's major point winners in team events. The Cummings, Turner, Webb, Worden half-mile relay team was defeated only once during the year. Davenport was the one time conquerer, although North defeated them at the Drake relays.

The same men ran in the 440 yard relay and crossed the line one, two or three in every meet they entered.

The summary of the season shows that 271¾ points were scored. Thus North has a great track team and one of its greatest in the last few years.

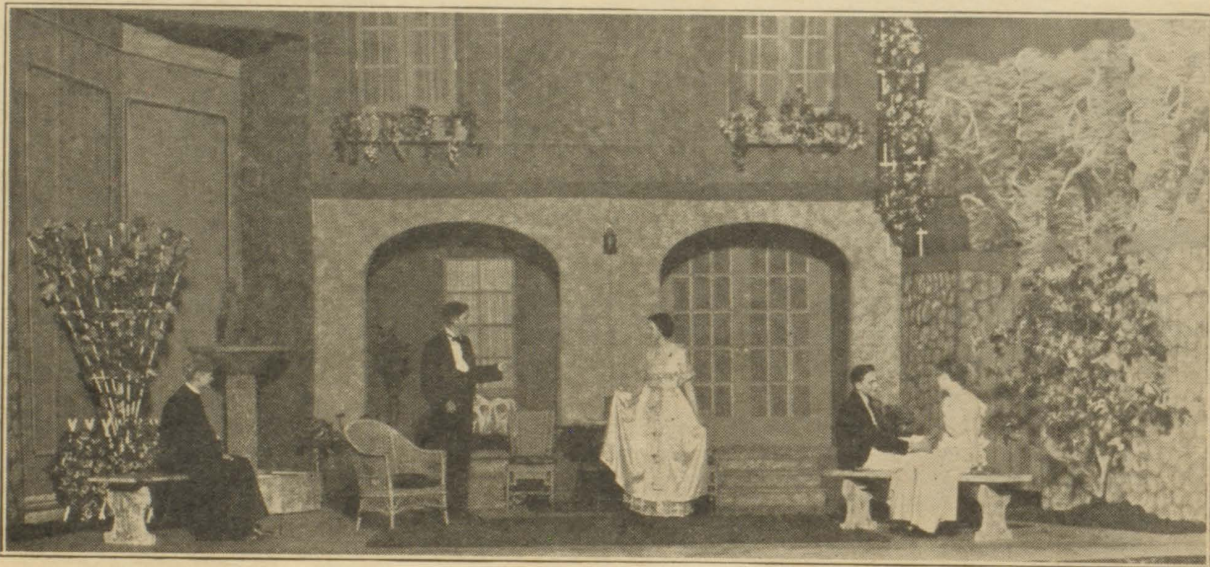

D r a m a t i c s

This semester has seen great advancement in the dramatic field as shown by the large number of students active in plays. A summary of the semester's productions shows that seventy-three actors have appeared in public presentations, backed by forty-five staff workers.

The first venture into dramatics this semester took the form of three one-act plays on March 13 and 14. The choice of

arranged for April 17. This presentation included "Cinderella Married," by Rachel Lyman Field; "Pink and Patches," by Margaret Bland, and Dean Howell's "The Mouse Trap." Again fantastic comedy, semi-seriousness and hilarity, respectively, were represented, each outstanding for its unique and interesting plot.

The "Crowning Glory," of North's dramatic season, however, came in the ar-

Setting for "Mis' Nelly of N' Orleans"

the three plays, "The Wonder Hat," "Riders to the Sea," and "His First Dress Suit" was exceedingly good, mixing comedy with serious drama.

"In "The Wonder Hat," a fantastic creation of Ben Hecht and Kenneth Goodman, we were taken again to the ethereal world of Harlequin and Pierrot, only to be dropped into the depths of serious drama by John Millington Synge's "Riders to the Sea." Five characters were portrayed in the presentation, all equally well done. "His First Dress Suit" provided the first real laughs of the evening, capping the climax, making it an enjoyable evening for all.

A second group of one-act plays was

rival of "Mis' Nelly of N' Orleans" to the school stage. As this was given two nights, eighteen people were privileged to take parts and the result of weeks of practice was—grand success.

Mis' Nelly, figuratively exiled from her home city because of a misunderstanding between her and her fiance, returns after twenty years in Paris to mother her orphan niece—to find her desperately in love with the son of the man she once was to marry. The possibilities of such a plot were great and the actors made the most of them.

This play was given Friday and Saturday nights, May 22 and 23, and ended the public presentations for the year by North's dramatic department.
